1 Pursuant to Civil Local Rules 7-11(a) and 79-5(b), Defendants request that the following  
2 materials be filed under seal because Plaintiffs have designated as confidential or highly confidential  
3 under the Stipulated Protective Order entered by this court on August 29, 2007. The documents  
4 submitted under seal include: Joint Case Management Conference

5 These materials contain information that has been designated "Confidential" or "Highly  
6 Confidential — Attorneys' Eyes Only" by one or more parties under the Stipulated Protective Order.  
7 Although the Defendants reserve the right to challenge the designation of certain material by Verity,  
8 information in these materials has been designated as protected from disclosure under the Stipulated  
9 Protective Order at the present time. The Defendants rely on that information in support of their  
10 response to the order to show cause. The parties' confidentiality interest therefore overcomes the  
11 right of public access to the record, as a substantial probability exists that the parties' overriding  
12 confidentiality interests will be prejudiced if the record is not sealed. Further, the proposed sealing is  
13 narrowly tailored, and no less-restrictive means exist to achieve the parties' overriding interests.

14 The Defendants therefore lodge the above-identified materials with this court pursuant to  
15 Civil Local Rule 79-5(b) and 79-5(c) and request leave to file the aforementioned documents under  
16 seal.
